государственный  
университет

**Moscow State University of Psychology and Education  
jointly with  
ASSOCIATION OF EDUCATIONAL RESEARCHERS  
in partnership with leading Universities**

**Invite you to participate in XX All-Russian Scientific and Practical Conference for Young Educational Researchers  
"Research that improves education"  
October 28-29, 2021  
THE CONFERENCE WILL BE HELD ONLINE**

Bachelor's, specialist's, master's, postgraduate students conducting research in education are invited to participate in the conference.

The participants of the conference, who presented the most interesting and significant research results, will receive:

- travel grants from the Russian Association of Educational Researchers to cover the costs of participation in foreign conferences of educational researchers' associations **European Conference on Educational Research (ECER)** and **WERA Focal Meeting** in 2022
- publication mentoring by the editorial boards of leading scientific journals.

**The purpose of the conference:** creating a space for scientific self-determination and socialization of young researchers, building a promising route for scientific and educational activities.

**Objectives of the conference:**

- Presentation of the results and research ideas of the conference participants;
- Providing of effective scientific reflection and feedback for conference participants;
- Strengthening the cooperation of young researchers in education, the formation of research communities (networks);
- Informing conference participants about further opportunities for scientific and educational development: thematic conferences, regular seminars, summer schools, internships;
- Getting acquainted with the content of the research master's and postgraduate programs;
- Acquaintance with scientific leaders and consultants, formation of mentoring and supervision relationships;
- Self-determination and the choice of a possible further training route for conference participants;
- Integration into the global education research agenda in education.

The Program Committee of the conference includes members of the Scientific Council of the Educational Research Association.

## **Co-chairs of the Program Committee:**
